

## Communication Package

*Deliverable No: 12*

**Promoting Employability of Young Student-Athletes through  
“Competence Hub” on Sport Innovation**

**COMPATH – 101050955**

Co-funded by  
the European Union

During the project lifetime some promotional and information material such as logos, presentation templates, visual identity designs, poster, banner, roll-up, brochure, flyer, promotional videos, infographics, posts designed. It is expected that at least two versions of this material will be produced in partners' languages, one at the beginning with overall information on the project and its objectives and another one at the end, with the achieved results.

You can access to all materials through the following link:
